INTRODUCTION

The Honorable Ben Vinson, Chairman of the State Board of Workers' Compensation, along with the Directors, Honorable Frank R. McKay, and Honorable Neera Bahl, and Executive Director Delece A. Brooks, will visit select cities throughout Georgia as part of the 2026 Regional Educational Series. Under their leadership, the Board will host four in-person seminars providing valuable information for employers, insurers/self-insurers, human resource, and risk managers, insurance claims adjusters, rehabilitation specialists, medical service providers, case managers, workers' compensation attorneys, paralegals, and other Workers' Compensation system participants.

This event would not be successful without the support of the Workers' Compensation community, the Public Education Committee, the Directors, and the staff of SBWC. This package outlines the sponsorship for the 2026 SBWC Regional Series.
