

April 1, 2020 Georgia Workers' Compensation Medical Fee Schedule

Section XIII: Transportation

Subsection A: Non-Emergency Services

General Ground Rules

The following are ground rules for reimbursement of non-emergency transportation. These codes are Georgia-specific and should be used for workers' compensation billing purposes.

Codes and fees specify ambulatory and lift van reimbursements separately.

Flat-rate pick-up fees are not applicable.

Additional gasoline surcharge fees are not

reimbursable as they are included in fee schedule reimbursement.

Very remote areas are defined as 50 miles or more.

Wait-time fees are reimbursed at the fee rates listed below. A cumulative total-day wait time of one hour or more can be charged. There is no wait-time reimbursement for anything less than one hour for an entire day.

Holidays are defined in Section IV: General Reimbursement Requirements of this fee schedule.

Any transportation fees outside of this schedule should be negotiated between the payer and provider before services are rendered.
