ORDER

As the Board's Integrated Claims Management System (ICMS) is currently experiencing stability that allows for the resumption of the electronic submission of documents through the ICMS system, the order of the State Board of Workers' Compensation dated January 15, 2015 requiring the mandatory filing of documents in paper or by e-mail is hereby VACATED and WITHDRAWN.

Parties may resume electronic submission of documents through ICMS and shall comply with the statutory provisions and rules relating to filing procedures that were in effect prior to the January 15, 2015 order.

This order is effective as of February 18, 2015.

IT IS SO ORDERED,

Frank R. McKay, Chairman
State Board of Workers' Compensation
