GEORGIA STATE BOARD OF WORKERS' COMPENSATION

Advance authorization for the medical treatment or testing of an employee is not required by the Workers' Compensation Act. However, in the event an authorized provider requests pre authorization/pre-certification for treatment or tests of an employee and submits this form for such preauthorization/pre-certification to the insurer/self-insurer, the insurer/self-insurer shall respond, in writing, to this request within 5 business days from its receipt. A written request or response under this subsection shall be by facsimile transmission or e-mail. Any response to this request shall be sent directly to the requesting authorized medical provider. If the insurer/self-insurer fails to respond by completing Section 3 of this form within 5 business days, the treatment or testing stands pre-approved.

Neither the request nor the response shall be filed with the Board, unless otherwise requested.

In the event the insurer/self-insurer furnishes an initial written refusal to authorize the requested treatment or testing within the 5 business day period, then within 21 days of the initial receipt of the request for the requested treatment or testing, the insurer/self-insurer shall either:

- (a) Authorize the requested treatment or testing in writing; or
- (b) File with the Board a Form WC-3 controverting the treatment or testing and set forth the specific grounds for the controversion.

Advance authorization procedures for medical providers participating in a Board approved WC/MCO may be governed by the applicable contract and may vary from the provisions above. Questions regarding the applicability of the provisions above should be addressed to the plan administrator or Managed Care Division of the State Board of Workers' Compensation (404) 656-3784.
